

Morton Pharmacy is the largest family-owned regional retail pharmacy chain in Wisconsin.

VISION

To be the BEST pharmacist care provider in the communities we serve.

MISSION

Earn customer loyalty through relationship building, providing whole health pharmacist care services and offering quality health care products. Morton Pharmacy team-members are committed to helping customers maintain or enhance their quality of life

FAMILY

We encourage open communications in a family-like atmosphere. We foster an interdependent culture of team-members working toward a common vision. We expect great commitment to our company with a healthy balance of family and personal interests.

GROWTH

We will provide team-members personal freedom to promote individual initiative and creativity. We will challenge ourselves and others to continuously improve our organization for customers, team-members and owners.

SERVING

We are driven to serve our customer, our community and our team-members. We serve by being respectful, understanding and honest. We serve by asking the right questions and providing the best solutions. We serve by being a resource to others.
